

## Landowner's consent application

Use this form to seek landowner's consent for lodgement of applications to other approval authorities\* in respect of development proposals on Crown land.

### Important information

The Department of Planning, Industry & Environment—Crown Lands (the department) has the authority to grant minister's consent as landowner under the *Crown Land Management Act 2016* to the lodging of:

- development applications, Complying Development Certificate applications, and major project applications under the *Environmental Planning and Assessment Act 1979*
- development applications under the *Native Vegetation Act 2003*
- applications required under other applicable legislation.

Landowner's consent will only be given if it is determined that the proposal is consistent with the management of Crown land under the *Crown Land Management Act 2016*. Crown land includes waterway areas.

If your proposal requires the lodgement of a Development Application (DA) with council, the completed DA in its entirety, must be forwarded to the department for the provision of land owner's consent prior to lodgement with council

\* Approval authorities include council, the Minister for Planning, other government agencies, local Catchment Management Authority, or an accredited certifier for the issue of a Complying Development Certificate. You should make your own enquiries as to the type of application, if any, you need to make.

### Fee
