Full allocations for Central Coast water users

The Office of Water today announced the available water determinations for Central Coast water users for the new 2015/16 water year, commencing 1 July 2015.

All water access licence holders on the Jilliby Jilliby, Ourimbah, Mooney Mooney and Mangrove Creeks, together with Brisbane Water, Tuggerah Lakes and Wyong River surface water sources, will receive an allocation 100 per cent or 1 megalitre per unit share of entitlement.

Similarly, all water access licence holders who draw water from Zones 1-8 of the Kulnura-Mangrove Mountain groundwater sources will also receive an allocation of 100 per cent of their entitlement or 1 megalitre per unit share.

Licence holders on the Central Coast who access water from sources not covered by a water sharing plan are allocated full entitlement unless otherwise advised.

Additional information on Available Water Determinations can be found on the Office of Water's website at - www.water.nsw.gov.au
