

New South Wales

Available Water Determination Order for the Macquarie and Cudgegong Regulated Rivers Water Source 2017-2018

under the

Water Management Act 2000

I, Danielle Baker, having delegated authority in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 14th day of August 2017

Danielle Baker
A/Group Director Water Information & Insights
NSW DPI Water
(by delegation)

Explanatory note

This Order is made under section 59(1)(a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for various categories of access licences in the water sources identified in Schedule 1 of this Order.

Available Water Determination Order for the Macquarie and Cudgegong Regulated Rivers Water Source 2017-2018

under the

Water Management Act 2000

1 Name of Order

This Order is the *Available Water Determination Order for the Macquarie and Cudgegong Regulated Rivers Water Source 2017-2018*.

2 Commencement

This Order commences on the 14th of August 2017.

3 Available water determination

This Order determines the availability of water in relation to the water sources specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2, on the terms specified in Schedule 2.

Schedule 1 Water Sources

This Order applies to all water sources to which the *Water Sharing Plan for the Macquarie and Cudgegong Regulated Rivers Water Source 2016* applies.

Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/ subcategory of access licence specified in Column 1.

COLUMN 1 Category/ subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Regulated river (general security) access licences	0.02 megalitre

Notes: (1) An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*.
