

Available Water Determination Order for the Gwydir Regulated River Water Source 2018

under the

Water Management Act 2000

I, Danielle Baker, having delegated authority in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 10th day of January 2018

Danielle Baker
Director Water Analytics
Crown Lands & Water Division
Department of Industry
(by delegation)

Explanatory note

This Order is made under section 59(1)(a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for regulated river (general security) access licences and supplementary water access licences in the water source identified in Schedule 1 of this Order.

Available Water Determination Order for the Gwydir Regulated River Water Source 2018

under the

Water Management Act 2000

1 Name of Order

This Order is the *Available Water Determination Order for the Gwydir Regulated River Water Source 2018*.

2 Commencement

This Order commences on the 10th January 2018.

3 Available water determination

This Order determines the availability of water in relation to the water source specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2, on the terms specified in Schedule 2.

Schedule 1 Water Source

This Order applies to the Gwydir Regulated River Water Source (as identified in clause 4 the *Water Sharing Plan for the Gwydir Regulated River Water Source 2016*).

Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/ subcategory of access licence specified in Column 1.

COLUMN 1 Category/ subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Regulated river (general security) access licences	0.0023 megalitre

Notes: (1) An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*.

(2) This available water determination is in addition to any water allocation credited in accordance with any available water determination made in relation to the water source specified in Schedule 1, for a category or subcategory of access licence specified in Schedule 2, during this water year commencing 1 July 2017.
