If an application is lodged by two or more persons, indicate whether joint tenancy or tenancy in common is required.

Joint tenants hold the property in equal shares, may deal with the property only as a whole in conjunction with the joint tenant/s and on the death of any one joint tenant, title vests with the survivor/s.

Tenants in common hold the property in defined shares, not necessarily equal, which may be dealt with independently of the shares of the other tenant/s in common. Upon death, the share in title of a tenant in common forms part of that party's estate.
