## **Available Water Determination Order for the NSW Border Rivers Regulated River Water Source 2018 (No. 1)**

under the

Water Management Act 2000

I, Danielle Baker, having delegated authority, in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 9<sup>th</sup> day of October 2018.

Danielle Baker  
Director Water Analytics  
**Lands & Water Division**  
**Department of Industry**  
**(by delegation)**

### **Explanatory note**

This Order is made under section 59 (1) (a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for access licences in the water source/s identified in Schedule 1 in accordance with the category/s of access licence and the terms identified in Schedule 2.

# Available Water Determination Order for the NSW Border Rivers Regulated River Water Source 2018 (No. 1)

under the

Water Management Act 2000

## 1 Name of Order

This Order is the *Available Water Determination Order for the NSW Border Rivers Regulated River Water Source 2018*.

## 2 Commencement

This Order commences on the day on which it is signed.

## 3 Available water determination

This Order determines the availability of water in relation to the water sources specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2, on the terms specified in Schedule 2.

### Schedule 1 Water Source

This Order applies to the Border Rivers Regulated River Water Source (as identified in the *Water Sharing Plan for the NSW Border Rivers Regulated River Water Source 2009*).

### Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/ subcategory of access licence specified in Column 1.

<b>COLUMN 1</b>	<b>COLUMN 2</b>
<b>Category / subcategory of access licence</b>	<b>Volume per unit of access licence share component</b>
Regulated river (general security – A class) access licences	0.098 megalitre

Notes: (1) An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*

(2) This available water determination is in addition to any water allocation credited in accordance with any available water determination made in relation to the water source specified in Schedule 1, for a category or subcategory of access licence specified in Schedule 2, during this water year commencing 1 July 2018.
