

Review of the Floodplain Management Plan for the Barwon-Darling Valley Floodplain 2017

Office use only

Submission number

How to fill out this form

The NSW Department of Planning and Environment (Water) is seeking feedback on the review of the Barwon Darling Valley floodplain management plan.

NSW floodplain management plans are valid for 10 years from their commencing date. Amendments to floodplain management plans are made throughout their life to ensure they comply with changing legislation and to facilitate their implementation. Within its fifth year a formal review is completed by the department to identify the necessary alterations to deliver better outcomes for all water users, including the environment.

Please provide any feedback below. This information will help in informing the review of these plans and future planning in these areas.

A copy of your submission will be sent to your email address provided in the next section.
