Water allocations for the Lower Murray groundwater sources

DPI Water today announced available water determinations for groundwater sources in the Lower Murray for the new 2016/17 water year, commencing 1 July 2016.

Local water utility, domestic and stock, salinity and water table management and aquifer water access licence holders in the Lower Murray and Lower Murray shallow groundwater sources will receive an allocation of 100 per cent or 1 megalitre per unit share of entitlement.

Additional information on available water determinations can be found on the DPI Water website at - www.water.nsw.gov.au
