Water allocations for the Lower Murrumbidgee groundwater sources

The NSW Department of Industry today announced available water determinations for the Lower Murrumbidgee groundwater sources for the new 2018-19 water year, beginning 1 July 2018.

The allocation for local water utility and domestic and stock access licence holders in both the Lower Murrumbidgee shallow and deep groundwater sources is 100 per cent of entitlement.

Aquifer access licence holders in both the Lower Murrumbidgee shallow and deep groundwater sources receive 1 megalitre per unit share of entitlement.

Additional information on available water determinations can be found on the NSW Department of Industry website at - www.industry.nsw.gov.au/water
