## Opening water allocations for the Lower Murrumbidgee groundwater sources

The NSW Department of Planning, Industry and Environment today announced available water determinations for the Lower Murrumbidgee groundwater source for the new 2019-20 water year, beginning 1 July 2019.

Domestic and stock and local water utility water access licence holders in both the Lower Murrumbidgee shallow and deep groundwater sources receive an allocation of 100 per cent of entitlement.

Aquifer water access licence holders in the Lower Murrumbidgee shallow groundwater source will receive 1 megalitre per unit share of entitlement, while in the deep groundwater source they will receive 0.7 megalitre per unit share of entitlement.

Additional information on available water determinations can be found on the NSW Department of Planning, Industry and Environment website at - [www.industry.nsw.gov.au/water](http://www.industry.nsw.gov.au/water)
