Definitions

Alleged breach notifications: when a person notifies NRAR that they believe a breach of the *Water Management Act 2000* or the *Water Act 1912* has occurred or is occurring

Investigations finalised: all alleged breach notifications are formally closed once a decision has been reached by NRAR. The reasons for NRAR's decision are recorded in NRAR's case management system. Informants are notified of the outcome within five working days of NRAR's decision.

Advisory letter: an alleged breach notification has been reviewed or investigated and advice has been provided to the alleged offender about requirements of the *Water Management Act 2000* or *Water Act 1912*

Warning letter: a letter to an alleged offender advising there are reasonable grounds to believe they have committed a minor breach of the *Water Management Act 2000* or the *Water Act 1912* and warning the alleged offender in relation to that breach and any future breaches of the legislation

Statutory notice: a matter has been investigated and a statutory direction has been issued under a provision within Chapter 7 of the *Water Management Act 2000*

Penalty infringement notice: a matter has been investigated and a penalty notice issued under *Water Management Act 2000*

Prosecution finalised: a matter has been investigated and a prosecution has been finalised under a provision within the *Water Management Act 2000*
