

New South Wales

Available Water Determination Order for the Gwydir Regulated River Water Source 2021 [No. 3]

under the

Water Management Act 2000

I, Graham Attenborough, having delegated authority in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 7th day of May 2021

Graham Attenborough
Chief Operating Officer, Water
Department of Planning, Industry and Environment
(by delegation)

Explanatory note

This Order is made under section 59(1)(a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for regulated river (general security) access licences and supplementary water access licences in the water source identified in Schedule 1 of this Order.

Available Water Determination Order for the Gwydir Regulated River Water Source 2021 [No. 3]

under the

Water Management Act 2000

1 Name of Order

This Order is the *Available Water Determination Order for the Gwydir Regulated River Water Source 2021 [No. 3]*.

2 Commencement

This Order commences on the 7th of May 2021.

3 Available water determination

This Order determines the availability of water in relation to the water source specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2, on the terms specified in Schedule 2.

Schedule 1 Water Source

This Order applies to the Gwydir Regulated River Water Source (as identified in clause 4 of the *Water Sharing Plan for the Gwydir Regulated River Water Source 2016*).

Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/ subcategory of access licence specified in Column 1.

COLUMN 1 Category/ subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Regulated river (general security) access licences	0.023 megalitre

Note: This available water determination is in addition to any water allocation credited in accordance with any available water determination made in relation to the water source specified in Schedule 1, for a category or subcategory of access licence specified in Schedule 2, during this water year commencing 1 July 2020.
