

Jobs of Tomorrow Scholarships

The NSW Government's Jobs of Tomorrow Scholarships form part of the *Reskilling NSW* strategy. The NSW Government has committed \$25 million over four years to provide 25,000 scholarships worth \$1,000 each to students undertaking eligible qualifications in science, mathematics, engineering or technology related fields. The Jobs of Tomorrow Scholarships program will run from 1 January 2016 to 31 December 2019.

Service NSW is administering Jobs of Tomorrow Scholarships applications and payments on behalf of the NSW Department of Industry. In partnership with the Department of Industry, Service NSW provides 24 hour support to students in relation to the Scholarships.

Applications for Jobs of Tomorrow Scholarships opened on 24 March 2016. As such, the data provided only covers the period from 24 March 2016 when applications opened. Any student enrolled in an eligible qualification that commenced after 1 January 2016 is able to apply for a Scholarship.

Scholarships awarded

945 students were approved for a Scholarship up to and including 31 July 2016. A breakdown of the number of Scholarships awarded each month is at Attachment A.

Scholarships awarded in each region

945 students were approved for a Scholarship up to and including 31 July 2016. A breakdown of the number of Scholarships awarded in each region is at Attachment B.

Scholarships awarded to Aboriginal and Torres Strait Islander students

39 Aboriginal and Torres Strait Islander students were approved for a Scholarship up to and including 31 July 2016, see Attachment C.

Total value of Scholarships paid

321 approved applicants have been paid their first instalment of \$500 (totalling \$160,500), see Attachment D.

An approved applicant is only eligible for payment once their training provider has provided data to the Department confirming that the student has commenced training (when the first payment will be made) and successfully completed training (when the second payment will be made).

Note: As at 18th August, an additional 271 approved applicants have been paid their first instalment of \$500 (totalling \$135,500).

Number of applications

1,124 applications have been received from unique individuals up to and including 31 July 2016, see Attachment E.

Note: If an individual made multiple applications and one of their applications was approved, only the approved application has been counted for that individual. If an individual made multiple applications and none were approved, only one unsuccessful application has been counted for that individual.

Number of rejected applications

41 applications were validated and have been not approved up to and including 31 July 2016. These applications were not approved as the student was not enrolled in a qualification eligible for a Jobs of Tomorrow Scholarship, see Attachment F.

There were an additional 138 applications that could not be processed as the data supplied in the application could not be validated.
