Have your say on Wollongong Harbour draft master plan

The draft master plan is open for review until 31 August 2018 at industry.nsw.gov.au/lands/public/on-exhibition. An information session for the draft master plan will be held at 11.30 am to 1.30 pm and 4.00 pm to 6.00 pm on Thursday 9 August 2018 at the NSW Government Offices, 84 Crown Street, Wollongong—Level 0, in the downstairs amenities room.

The Wollongong Harbour draft master plan recognises the harbour’s heritage significance and is informed by stakeholder consultation and engagement activities held since the project began in late 2017.

Wollongong Harbour is a dynamic location that is becoming more popular for recreation than ever before and has over 150 years of maritime industrial history that underpins its character and heritage significance.

The draft master plan explores a future for the harbour that reflects on the past history of the space with a vision to create a contemporary asset that will be a vital part of the life of Wollongong.

The harbour will continue to provide for a broad range of marine and water-based recreation and tourist activities that respect the history of the site and its intrinsic nature as an open and accessible public space.

More information

The draft master plan is available for download from the NSW Department of Industry website industry.nsw.gov.au/lands/public/on-exhibition
