Water allocations for Coffs Harbour area water users

DPI Water today announced available water determinations for water users covered by the Coffs Harbour area unregulated and alluvial water sharing plan for the new 2016/17 water year, commencing 1 July 2016.

Domestic and stock and local water utility water access licence holders will receive 100 per cent of entitlement.

Both unregulated river and unregulated river high-flow water access licence holders will receive an allocation of 1 megalitre per unit share.

Aquifer water access water licence holders will also receive an allocation of 1 megalitre per unit share.

Additional information on available water determinations can be found on the DPI Water website at - www.water.nsw.gov.au
