Full allocations for Richmond Valley water users

The NSW Department of Industry today announced available water determinations for water users in the Richmond Valley water sources for the new 2018-19 water year, commencing 1 July 2018.

Both high security and general security access licence holders in the Richmond regulated water source receive an allocation of 1 megalitre per unit share of entitlement.

Local water utility and domestic and stock access licence holders in the Richmond regulated river receive 100 per cent of entitlement.

All water access licence holders who draw water from the unregulated, alluvial and groundwater water sources covered by the Richmond River area unregulated, regulated and alluvial water sharing plan, receive an allocation of 100 per cent of entitlement or 1 megalitre per unit share of entitlement.

Additional information on available water determinations can be found on the NSW Department of Industry website at - www.industry.nsw.gov.au/water
