

New South Wales

Available Water Determination Order for the NSW Murray Regulated River Water Source 2018 (No. 2)

under the

Water Management Act 2000

I, Danielle Baker, having delegated authority, in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 31st day of August 2018

Danielle Baker
Director Water Analytics
Lands & Water Division
Department of Industry
(by delegation)

Explanatory note

This Order is made under section 59(1)(a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for various categories of access licences in the water sources identified in Schedule 1 of this Order.

Available Water Determination Order for the NSW Murray Regulated River Water Source 2018 (No. 2)

under the

Water Management Act 2000

1 Name of Order

This Order is the *Available Water Determination Order for the NSW Murray Regulated River Water Source 2018 (No. 2)*.

2 Commencement

This Order commences on the 3rd September 2018.

3 Available water determination

This Order determines the availability of water in relation to the water sources specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2, on the terms specified in Schedule 2.

Schedule 1 Water Sources

This Order applies to the NSW Murray Regulated River Water Source (as identified in Clause 4 of the *Water Sharing Plan for the NSW Murray and Lower Darling Regulated Rivers Water Sources 2016*).

Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/ subcategory of access licence specified in Column 1.

COLUMN 1 Category/ subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Regulated river (Conveyance) access licences	0.0909 megalitre

Notes: (1) An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*.
