Full allocations for the NSW Great Artesian Basin water users

DPI Water today announced available water determinations for the NSW Great Artesian Basin groundwater sources for the new 2017/18 water year, commencing 1 July 2017.

Domestic and stock, domestic and stock (conveyance), local water utility and aquifer access licence holders covered by the water sharing plan for the NSW Great Artesian Basin groundwater sources, will all receive an allocation of 100 per cent or 1 megalitre per unit share of entitlement.

Groundwater sources covered by this plan include the Eastern Recharge, Southern Recharge, Surat, Warrego and Central groundwater sources.

Water access licence holders covered by the water sharing plan for the NSW Great Artesian Basin shallow groundwater sources, will also receive an allocation of 100 per cent or 1 megalitre per unit share of their entitlement.

Additional information on available water determinations can be found on the DPI Water website at - www.water.nsw.gov.au
