Dear [REDACTED]

Re: Design and Construct Greater Artesian Water Bores
Contract No: 20-1345

The NSW Department of Planning Industry & Environment (DPIE) accepts your tender to undertake the Design and Construct of the Greater Artesian Basin Water Bores for a period of three (3) years from the commencement date of the contract with an option to extend for a further one (1) x 1 year period.

The Contract comprises:

1. This Letter of Acceptance
2. DPIE's RFT 20-1345 including attachments
3. Addendum 1 to tenderers dated 24 November 2020
4. Addendum 2 to tenderers dated 2 December 2020
5. Addendum 3 to tenderers dated 2 December 2020
6. Your tender dated 8 December 2020
7. DPIE's clarification request dated 24 December 2020
8. Your clarification response dated 14 January 2021
9. Your email dated 1 March 2021 regarding amendment to Schedule of Rates for Borgara Scheme Bore item 3.7
10. Your email dated 4 March 2021 regarding WH&S accreditation and reference to Watermin's intent to pursue third party WH&S accreditation.

The total estimated value for the contract period is \$5,900,250.50 including GST, as stated in Contract Information Item 40.

Attached to this Letter of Award is your copy of the final Contract Information, in which items 8 to 11 inclusive, item 12, item 26 and item 40 have been completed.

Contract Information item 13 states the time periods for:

- the Principal to give access to the Site; and
- the Contractor to achieve Completion.

Letter of Award

Your attention is drawn in particular to clause 7, which deals with the make-up of the Contract, and to the attached letter setting out some administrative matters that require your prompt attention.

Subject to compliance with all relevant requirements of the Contract, Site access is given at the relevant times stated in Contract Information item 13.

All details for the provision of services under this Contract will be arranged with your company directly by the Principal's Authorised Person Delegate:
