Supporting documentation checklist

- If applicant is a company, provide a current company search or extract, with details of directors.
- A set of recent photographs showing the current structure/s and area below the mean high water mark. The photos must **show the whole frontage** and all structures presumed to be on public land, taken at high tide and at low tide, from offshore—if practicable—facing the property and from onshore facing the water. If a boatshed forms part of the occupation, several photos of the interior are also required.
- A copy of a recent identification survey, no older than two years, prepared by a registered surveyor. The plan must plot to scale and detail the dimensions and the type of all existing structures, including any reclaimed area and any free standing mooring piles below the mean high water mark. The survey must show the position of the deed mean high water mark in relation to the registered deposited plan boundaries and must include the calculated areas for each structure and area below the mean high water mark.

Deceased estates only, please provide the following:

- Copy of will, death certificate and probate if applicable.
