Are you an individual or representing an organisation?	Organisation
Organisation or Business Details	
Name of Organisation	Water NSW
Who are you representing?	Government
Government Organisations	
What level of government organisation are you?	NSW
Proposed changes to recording and reporting requirements	
The draft public exhibition regulation includes proposed changes to the recording and reporting mandatory conditions. Do you have any comments on the recording and reporting requirements?	Yes
If yes, please include your comment below and indicate whether it relates to works	B. required to have a meter and data logger but not telemetry - new mandatory condition clause 244A of the regulations
Please provide your comments on the proposed recording and reporting	NSW Government should consider the Form and Manner reporting be when directed to do so by Water Authority (e.g. WaterNSW). Significant Safety, Security and Operational Risks emerge when legislation requires water users to obtain and

requirements	forward data logger information annually.
