## Land management strategy

The details provided in this section of your application will determine the special conditions enforceable under the licence agreement. Please provide as much detailed information as possible.

1. Proposed use of Crown land. For example particulars of existing and proposed structures required to supplement use, if used in conjunction with adjoining land or as a stand-alone parcel of land and any other information relation to the use of Crown land.

2. Please identify the type of stock and the stocking rate you intend to apply to the land.

3. Please identify any immediate management issues you consider to be a priority for this parcel of land.

4. Does the parcel of land have a creek/river or any other 'waterbody'?

No       Yes provide details below and advise whether it is fenced off to exclude stock?

5. Outline your experience in land management and how your knowledge and expertise will ensure ongoing appropriate management of the parcel of land.

6. Please outline your drought management strategy. How do you intend to maintain acceptable groundcover during drought conditions. For example de-stocking, restricted grazing, sale, agistment, supplementary feeding)

7. Please outline your bushfire hazard reduction plan. Under the *Rural Fires Act 1997* landholders are required to take the necessary steps to prevent the occurrence and spread of bushfires.

8. Please describe current fencing condition and your intended maintenance/replacement program (boundary fences are to contain stock and any maintenance/replacement requires negotiation with adjoining landholder)
