Proposed changes to recording and reporting requirements	
The draft public exhibition regulation includes proposed changes to the recording and reporting mandatory conditions. Do you have any comments on the recording and reporting requirements?	Yes
If yes, please include your comment below and indicate whether it relates to works	C. required to have a meter, data logger and telemetry - clause 244 of the regulations
Please provide your comments on the proposed recording and reporting requirements	Already has mace meters with telemetry which used to be compliant but now may not be and do not have a meter option for a large gravity pipe which is 1800mm size.
Draft public exhibition regulation	
Do you have any other comments on the draft	No
