Opening water allocations for Lower Murray groundwater users

The NSW Department of Planning, Industry and Environment today announced available water determinations for groundwater sources in the Lower Murray for the new 2019-20 water year, commencing 1 July 2019.

Local water utility, domestic and stock and aquifer water access licence holders in the Lower Murray groundwater source receive an allocation of 100 per cent or 1 megalitre per unit share of entitlement.

Salinity and water table management and aquifer access water licence holders in the Lower Murray shallow groundwater source also receive an allocation of 100 per cent or 1 megalitre per unit share of entitlement.

Additional information on available water determinations can be found on the NSW Department of Planning, Industry and Environment website at - www.industry.nsw.gov.au/water
