

1 July 2019

Opening water allocations for Coastal Sands groundwater users

The NSW Department of Planning, Industry and Environment today announced available water determinations for Coastal Sands groundwater users for the new 2019-20 water year, commencing 1 July 2019.

Major water utility, local water utility and aquifer water access licence holders covered by the North Coast Coastal Sands groundwater water sharing plan receive an allocation of 100 per cent of entitlement or 1 megalitre per unit share.

Water sources covered by this plan include; Bellinger-Nambucca Coastal Sands, Clarence Coastal Sands, Coffs Harbour Coastal Sands, Great Lakes Coastal Sands, Hastings Coastal Sands, Hawkesbury to Hunter Coastal Sands, Macleay Coastal Sands, Manning-Camden Haven Coastal Sands, Stockton, Tomago, Tomaree and Tweed-Brunswick Coastal Sands.

Additional information on available water determinations can be found on the NSW Department of Planning, Industry and Environment website at - www.industry.nsw.gov.au/water
