# Available Water Determination Order for the Peel Regulated River Water Source 2015

under the

Water Management Act 2000

I, PAUL SIMPSON having delegated authority, in pursuance of section 59 (1) (a) of the *Water Management Act 2000*, make the following Order.

Dated this 1<sup>st</sup> day of September, 2015

PAUL SIMPSON  
Director Surface Water Management  
**DPI Water**  
**(by delegation)**

## **Explanatory note**

This Order is made under section 59(1)(a) of the *Water Management Act 2000*. The object of this Order is to make an available water determination for various categories of access licences in various water sources.

# Available Water Determination Order for the Peel Regulated River Water Source 2015

under the

Water Management Act 2000

## 1 Name of Order

This Order is the *Available Water Determination Order for the Peel Regulated River Water Source 2015*.

## 2 Commencement

This Order commences on the day it is signed.

## 3 Available water determination

This Order determines the availability of water in relation to the water sources specified in Schedule 1, for the categories and subcategories of access licence specified in Schedule 2 on the terms specified in Schedules 2.

### Schedule 1 Water Sources

This Order applies to the Peel Regulated River Water Source (as identified in clause 4 of the *Water Sharing Plan for the Peel Valley Regulated, Unregulated, Alluvium and Fractured Rock Water Sources 2010*).

### Schedule 2 Access licences and terms

Each amount specified in Column 2 applies to the adjacent category/ subcategory of access licence specified in Column 1.

COLUMN 1 Category/ subcategory of access licence	COLUMN 2 Volume per unit of access licence share component
Regulated river (general security) access licences	0.05 megalitre

**Notes:** (1) An available water determination made in relation to a particular category of access licence applies to all subcategories of that category, except to the extent to which this order provides otherwise, in accordance with section 59 (1A) of the *Water Management Act 2000*.

(2) This available water determination is in addition to any water allocation credited in accordance with any available water determination made in relation to the water source specified in Schedule 1, for a category or subcategory of access licence specified in Schedule 2, during this water year commencing 1 July 2015.
