

1 July 2019

Opening water allocations for Coffs Harbour and Nambucca area water users

The NSW Department of Planning, Industry and Environment today announced available water determinations for Coffs Harbour and Nambucca area water users for the new 2019-20 water year, commencing 1 July 2019.

Domestic and stock and local water utility water access licence holders covered by the Coffs Harbour area unregulated and alluvial water sharing plan receive 100 per cent of entitlement.

Unregulated river and aquifer water access licence holders also receive an allocation of 1 megalitre per unit share.

Domestic and stock and local water utility water access licence holders covered by the Nambucca unregulated and alluvial water sharing plan receive 100 per cent of entitlement.

While unregulated river and aquifer water access licence holders receive an allocation of 1 megalitre per unit share.

Additional information on available water determinations can be found on the NSW Department of Planning, Industry and Environment website at - www.industry.nsw.gov.au/water
